BRABANTIA TOUCH BIN

45L

FEATURES

- Manufactured from stainless steel, it features a removable plastic inner liner, a protective base rim to prevent floor damage, and an innovative silent lid with a soft-touch closing mechanism for quick and easy disposal.
- A stylish addition to any contemporary kitchen, the Brabantia Touch Bin is finished with fingerprint-proof technology to ensure it retains its impeccable shine, and it has a substantial capacity of 45 litres, making it the ideal choice for larger family homes and busy office environments.
