### TECHNICAL SPECIFICATIONS

## EKO ESSENTIAL PEDAL RECYCLING BIN

# 40L

### FEATURES

- This receptacle contains a durable foot pedal for hands-free disposal and 2 colour coordinated internal removable inner liners.
- Manufactured from brushed stainless steel with fingerprint proof properties to keep the messy hands at bay and a sleek footprint to allow the bin to be placed flat up against a wall.

### SPECIFICATIONS

- 40 Litre total capacity - 2 x 20 Litre removable inner liners.
- Durable pedal with soft closing lid.
- Fingerprint resistant.
- Stay open lid function for longer tasks.
