PLASTIC INTERNAL WASTE BIN WITH DOUBLE OPERATING LID

25&50L

FEATURES

- Made from durable, wipe-clean plastic, it is ideal for kitchen waste, office rubbish, and recyclables, and it comes in a choice of attractive colours to suit every taste.
- Multi-way aperture that allows you to use it as both a swing bin and classic lift-lid bin. It comes in 25 and 50-litre sizes to suit every kitchen or working environment, and you can use it solo or together with other bins from the collection to create a stylish recycling station.

SPECIFICATIONS

- Use as a swing-lid or lift-lid bin.
- Clever design hides unsightly bin bags.
- Easily to clean.
