TECHNICAL SPECIFICATIONS

RUBBERMAID GROUNDSKEEPER CIGARETTE BIN **500**

FEATURES

- Manufactured from weather resistant polyethylene, it features a galvanised steel liner that lifts up out of the receptacle for cleaning, and two apertures to facilitate disposal in crowded areas.
- Available in black to complement all environments, the Rubbermaid Groundskeeper Cigarette Bin features a unique design that prevents unpleasant odours from being released, and it can be stabilised further with the optional purchase of a weight ring.

SPECIFICATIONS

- Rubbermaid Cigarette Bin.
