TECHNICAL SPECIFICATIONS

SEMI-OPEN TOP LITTER BIN

112L**FEATURES**

- Made from weather-resistant materials, equipped with a galvanised steel liner, and offered in a choice of colours and finishes to complement all outdoor environments.
- A stubber plate can be added as an optional extra to ensure all cigarette waste is safely distinguished before being disposed of in the bin, and it comes with a slam lock mechanism as standard to prevent tampering and unauthorised access.
- A moulded plate embellished with the wording 'litter' adds the finishing touch to this great value semi-open top outdoor litter bin.

Specifications

- Galvanised steel liner.
- Slam lock.
- Domed top with two apertures.
- Front opening door for emptying and cleaning.
- Optional stubber plate available.
