Available with or without trolley

TECHNICAL SPECIFICATIONS

SLIM RECYCLING BIN

80L

FEATURES

- Manufactured from durable plastics, it features a removable lid with a choice of apertures, integrated handles to facilitate emptying and cleaning, and each bin is supplied with 6 recycling stickers for paper, plastic, glass, metal, organic waste, and 'other'.
- A popular choice for schools, offices, workshops, and retail outlets, these Slim Recycling Bins are easy to clean and require minimum maintenance. They can be washed down with regular detergents, and used both indoors and out. Available to purchase with or without a trolley.
